

CHALLENGE

Not teaching for information...but for transformation by the Holy Spirit so let's flesh this out...these **5 Roles of the Holy Spirit**

Jesus has given us ANOTHER COUNSELOR/ADVOCATE (JN 14:16-18)...no orphans!! To come alongside us.

- Are we living in light of the truth that we are NOT alone; that we do have God the Holy Spirit living inside of us OR are we living as an orphan?!!

The Holy Spirit WILL TEACH US & REMIND US (JN 14:26)

- Are we allowing the Holy Spirit to teach us God's truth through His written Word OR are we trying to understand God's Word on our own?
- Are we responding to and obeying the reminders of God's Word from the Holy Spirit OR are we ignoring those promptings from the Holy Spirit?

He WILL SERVE AS OUR ATTORNEY / JUDGE /ADVOCATE IN THE WORLD (JN 16:7-11)

- Are we living in the truth that God the Holy Spirit truly is our Advocate and that Satan is a defeated foe and has no power over us OR are we living as if WE are the one that are condemned ones and believing the lies of the accuser and feel we are powerless?

He WILL GUIDE US AUTHENTICALLY IN TRUTH (JN 16:12-13)

- Are we allowing the Holy Spirit to guide us by being in God's Word and listening to the Spirit of Truth OR are we ignoring the Holy Spirit's guidance and trying to go down that river by ourselves by not being in His Word and trying to sort out truth apart from the Spirit of Truth?

He came to GLORIFY JESUS (JN 16:14-15)

- Are we living our lives in a way that shows that we DO have the HOLY Spirit living in us by the choices that we make and thus our lives are bringing glory to Jesus not in a perfect but in sanctification way OR are we bringing dishonor to Almighty God by the choices we make and the way we live?

Are there some of these roles that we have forgotten about???

Which one today do you need to begin to live out in your life and respond to???

Let the Holy Spirit speak to you...

It might be words of encouragement OR you might need to confess and ask forgiveness then move forward in the power and joy of the Holy Spirit!!!
