

REFLECTION QUESTIONS

- How has God met you through MTB this past year? Has a particular MTB teaching or Bible study been especially meaningful for you? How has God ministered to you through other aspects of MTB, such as our worship time, small groups, or meals ministry?

- How has the focus on "Parenting in Grace" this year helped you to grow? How have you sensed God working in new ways in your parenting or in your relationship with Him?

- How might God be challenging you this summer?

- What is something you would like us to study at MTB in the future? If you were picking next year's teaching topic, what would it be?
